

JUST KEEP RUNNING! By now, a lot of you have been logging your activities and you accumulated miles for the Final Mile Challenge log book. Some of you have even finished your 25 miles, which is awesome! During recess Sept. 29 – Oct. 3 , a parent volunteer will be collecting books for those of you who finished. You'll get a chance to sign a completion “shoe,” which will be displayed prominently in the front office.

If you're not able to complete the 25 miles next week, but know that you will prior to race day, please sign and return the Intent to Finish form below. That way, we'll be sure to order your t-shirt.

For those of you not sure how to convert your non-running activities into miles, here is a website that will do it for you. It even includes vacuuming!

<http://www.purdue.edu/walktothemoon/activities.html>

If you have questions, please contact Shannon at mvfinalmile@gmail.com. Thanks again for participating and helping Mountainview be the largest participant once again!

I _____ (student name) in _____ (teacher's name) class, will complete 25 miles and turn in my Final Mile log book by Oct. 24, 2014.
